FAQ

▼ [Can I bring my own drinks?](#)

We're sorry but you cannot bring alcoholic and non-alcoholic drinks on board, it's a condition of our liquor licence. We offer some [great drinks deals](#) though, check out our website. If it makes you feel any better, you can bring your own food.

▼ [Do you supply alcohol?](#)

Yes, we do. The provision of alcohol is limited under our liquor license (3 standard drinks per person/hour). Alcohol must be purchased through BBQ Buoys and must not be BYO. The skipper must not exceed legal limits. All other passengers can drink moderately. Please read the [terms and conditions](#).

▼ [Can the skipper drink alcohol?](#)

The skipper is responsible for the safety of all passengers on board and must not exceed the legal limit of alcohol consumption.

▼ [Do I need any boating experience?](#)

No. This can be your first time as a skipper. BBQ Buoys are easy to navigate and we give you a full briefing with tips and tricks for a safe trip before you take charge. You will need a full car driver's license and bring it on the cruise date.

▼ [Do you have toilet facilities?](#)

The BBQ Buoys Hiring Station at Pinky Flat is a caravan, which makes providing a BBQ Buoys bathroom a bit tricky. Public toilets are available at the golf course at War Memorial Drive, the kiosk at River Torrens Weir, and at Victoria Drive behind Jolley's Boathouse. Please use the public toilet to the right sight of the building and please do not block Popeyes landing area in front of the Launder's Cafe.

▼ [What happens if it's bad weather on my booking day?](#)

You'll receive a full refund if you have booked 2x 10-seater Buoys for the same time slot. We'll inform you 1 day before if we have to cancel for safety reasons
